

Contact Lens Agreement

Fittings

- The fitting fees are due on the day of the initial fitting and are determined by the doctor.
- The initial fitting fees are for the initial fitting and 30 days of follow up.
- Additional fitting fees will occur if past the 30 days follow up exam and are due at the time of service.
- Any lens changes made after a fitting is finalized will incur a refitting fee.
- With all of the new, advanced materials currently used to make contact lenses and our extensive experience fitting lenses, we have very few patients who are unable to wear contact lenses. If, however, you or the doctor decides to stop the fitting of the contact lenses, no refund will be given for the fitting fee.

Orders

- Lenses are to be paid for when an order is placed, with the exception of RGP's, in which case payment is due as the lenses are dispensed.
- If you require a change to a more expensive lens, the difference will be charged.
- Refunds will be given for undamaged, unopened, unmarked boxes within 30 days.
- Contact lens orders must be picked up within 60 days. After 60 days the order will be returned. If we reorder, shipping charges will be added to the cost of the lenses.

I understand and agree to the above listed contact lens policies, terms, and conditions.
